Come on out and enjoy the many recreation facilities available in Edmonton. Stroll through the River Valley Parks, Valley Zoo, John Janzen Nature Centre, Muttart Conservatory, have a swim or workout at any of our leisure centres, or go for a skate at many of our arena facilities.

The following brochure was produced to inform Edmontonians and visitors about accessibility features in City of Edmonton, recreation facilities and parks.

The City of Edmonton is committed to working towards improved accessibility of facilities for individuals with all types of disabilities. Information listed in the flyer was current at the time of printing; however improvements are constantly being made.

If you require any further information about accessibility, please contact the specific facility, by calling 311.

The City of Edmonton also offers a Leisure Access Program which provides Edmontonians free use of City of Edmonton recreation facilities and attractions and discounts on registered programs. Call 311 for more information.

Alternative formats are available upon request.

CRITERIA FOR ACCESSIBILITY RATING

★★★★★

Facility is fully accessible. Features and facilities meet and exceed the Alberta Building Code and take into consideration Universal Design principles. Main elements such as the washrooms, entrances, parking, and amenities are barrier free.

★★★★☆

Majority of the facility is accessible; however there are some accessibility barriers. Some improvements are needed to make the facility fully accessible.

★★★★☆

Facility is partially accessible. Barriers exist to fully accessing the facility and an alternate facility may be necessary.

★★☆☆☆

Facility is partially accessible. Barriers exist to fully accessing the facility and an alternate facility may be necessary.

★☆☆☆☆

Facility has poor accessibility. Accessibility barriers may exist at entranceway, recreation area and washrooms. Alternate facility is recommended if barrier free access is required

For information on accessibility or additional services and programs for persons with disabilities, please contact 311.

RIVER VALLEY PARKS

Criteria for Accessibility Rating of River Valley Parks

The park is fully accessible. Features and facilities meet and exceed the Alberta Building Code and take into consideration universal design principles. Elements of the park including washrooms, entrances, parking, facilities, picnic and viewpoint sites, and recreation areas are barrier free.

The park is mostly accessible. Some barriers exist in the park or its facilities and improvements are needed to make the park truly barrier free.

The park is partially accessible. Barriers exist to fully accessing the park and some important features are not accessible or need major improvements like washrooms.

The park has a few accessible features but barriers exist in the majority of the park's facilities and features. An alternate park may be necessary.

The park is not accessible and an alternate park is recommended if barrier free access is required.

Buena Vista Park

13400 Buena Vista Road

Park is primarily used as an off-leash dog park. Blue emergency phone at the entrance. Two accessible parking stalls lead via curb cut to wide, gravel paths throughout the park. No accessible washrooms, only one non-accessible port-a-potty. Accessible washrooms in Laurier Park are within a minute's driving distance. No paved paths, water fountains or accessible seating in the park.

Capilano Park

109A Avenue and 50 Street

No accessible parking stalls. Blue emergency phone available. Wide paved trails and an accessible paved site with seating provides a rest area and access to washrooms inside the building. Washrooms and water fountain are somewhat accessible but need improvement to be barrier free. Viewpoints are not accessible.

Dawson Park

10286 89 Street

Accessible parking available. Wide paved trails and an accessible paved site with seating provides a rest area and access to washrooms inside the building. Washrooms and water fountain are partially accessible. Some accessible picnic sites off of the paved path. Blue emergency phone present but help button is high.

Emily Murphy Park

Saskatchewan Drive and Groat Road

Numerous accessible parking stalls through out the park lead via curb cuts to a number of accessible picnic sites. Some sites are gravel but the main sheltered picnic site #1 is large, paved and has a paved path to the washrooms. Washrooms are mostly barrier free with the exception of the non-level threshold entrances and the sink areas. Accessible viewpoint near the river. Pay phone available.

Forest Heights Park

103 Avenue and 84 Street

Wide paved paths but viewpoints are not accessible. Blue emergency phone available. No washrooms facilities only one non-accessible port-a-potty.

Gold Bar Park

10975 50 Street

Two accessible stalls located near entrance to facility. Paths are wide, paved and popular during the winter for cross-country skiing. Accessible viewpoints available throughout park and picnic site #1 is paved, sheltered and has a gravel path to access it from the parking lot. Blue emergency phone available. Facility building is accessible but only the North entrance is barrier free. Washrooms need improvements to be barrier free, particularly the entryways.

Government House Park

Groat Road and River Road

Accessible parking stalls at the entrance to the park. Curb cuts lead to the wide paved paths which travel along the river side up the McKinnon Ravine. Accessible port-a-potty located near the parking lot. Pathways are steep so assistance may be required. Picnic sites and view points are not accessible. No water fountain.

Hawrelak Park

9330 Groat Road

Numerous accessible parking stalls through out the park. Stalls lead via curb cuts to gravel or paved paths to the main building, the amphitheatre, the picnic sites and the paths. Amphitheatre is accessible from paved paths and has designated level seating. Main facility building has a barrier free entrance and interior, and a paved area outside for accessing the lake. Number of washrooms facilities located throughout the park. Washrooms are relatively barrier-free with the exception of the sinks and entrance thresholds. Main sheltered picnic sites #1 and #2 are accessible with washrooms. Blue emergency and pay phones available. Water fountains are not accessible. Picnic shelters #1, 2 & 3 are closed during the winter. Main pavilion is the only washroom facility available year round.

Henrietta Louise Edwards Park

98 Avenue and 96 Street

Accessible parking stalls with a curb cut lead to the wide paved paths and the paved resting site with seating. Blue emergency phone available. No washrooms. Paths lead to the footbridge to cross the river to the very accessible Louise McKinney Park. Bridge has accessible seating at viewpoint but benches are low and handrails are quite high.

Hermitage Park

127 Avenue and 36 Street

Accessible parking stall near path entrance to dock/fish pond and a fully accessible port-a-potty. Washrooms in the park building are not accessible. Gravel path with switchback leads to accessible dock and fish pond. Accessible canoe dock with a lift. No water fountains or paved access to picnic sites. Kinsmen Park

9100 Walterdale Road

Numerous accessible parking stalls located around facilities building and near park. Outdoor pay phones and blue emergency phone, and TTY available within Kinsmen building. Playground has accessible features. No accessible outdoor washrooms. Paths and picnic sites are somewhat accessible. Entrance to Kinsmen building is accessible with well-designed stairs and a switch-back ramp with handrails and a resting area.

Laurier Park

13400 Buena Vista Road

Two accessible parking stalls near entrance to the park lead via curb cut to a paved path. Path leads to one paved picnic site with a barbeque and further on to the accessible washrooms. The washrooms are generally barrier free with the exception of tight entry-ways. Blue emergency phone and a payphone available. Water fountain, large sheltered picnic site, and viewpoints of the river are not accessible. Washrooms are closed from Thanksgiving weekend until May long weekend.

Louise McKinney Park

95 Street and 101 Avenue

This park has excellent accessibility. Accessible parking stalls at the entrance to the park however; parking fees may apply. Curb cut leads to wide paved paths. Blue emergency phones available. Paved picnic sites but no paved paths to access them. Switchback ramp is paved with handrails and leads to the spacious paved promenade which provides plenty of accessible seating, resting and viewpoints. Washrooms are fully accessible. Rose garden has steep slopes and Chinese garden has few handrails so assistance may be required in these areas.

McKinnon Ravine

149 Street and Stony Plain Road.

Park consists of a wide paved path which follows the ravine towards the river where it connects with Government House Park. No accessible stalls near Ravine entrances but there are curb cuts to the path. No washrooms, water fountains or accessible seating sites. Closest washroom is the accessible port-a-potty in Government House Park at the end of the path. Path is very steep in places and assistance may be required as there are few flat resting places and no handrails or switchback ramps.

Queen Elizabeth Park

89 Avenue and 106 Street

No accessible stalls designated in parking lot. Wide paved paths lead to washrooms but not picnic sites. Washrooms are somewhat accessible with the exception of the large step and steep ramp in the entranceways. Water fountain is not accessible. Picnic sites are on the grass or up on hills and are not accessible. Playground is not accessible. Pay phone is not accessible and no blue emergency phone near washrooms or entry.

Riverdale

9231 100 Avenue

Paved wide trails with an accessible playground.

Rundle Park

2903 113 Avenue

Numerous accessible stalls around the park and near the ACT Aquatic and Recreation centre. No city bus access to the park but DATS provides regular service to the ACT Centre and Rundle Park. Paths are wide and paved or gravel. Family Centre and ACT Centre washrooms and water fountains are accessible. Family Centre washrooms are closed from Thanksgiving until the pond is frozen (ready for skating) and close again between spring thaw and May long weekend. There are no outdoor water washrooms or fountains. A number of accessible picnic sites, some paved and some gravel. Site # 4 is large, paved, sheltered and fully accessible. Accessible view points, playground and water activities like kayak basketball and adapted canoeing are available. Paddle boats and golf carts can be rented. TTY available in the ACT building. Washrooms near tennis courts are not accessible.

Terwillegar

156 Street and 36 Avenue

Park is primarily used as an off-leash dog park. Blue emergency phone available. Two accessible parking stalls are not paved and lead to a gravel path. No accessible washrooms, only a non-accessible port-a-potty situated on the grass. Paths are either gravel or dirt. No water fountains.

Victoria Park

12130 River Valley Road

Two accessible parking stalls in the main parking lot lead via curb cut to a gravel path to the sheltered and paved large picnic site #2. Another smaller picnic site is accessible and off a gravel path. Washrooms are mostly accessible with the exception of the sink and water fountain area. Pay phone and a blue emergency phone available. Park provides close access to the River Valley Road trail system across the street, accessible by curb cuts and a cross walk. River Valley Road trails provide wide paved paths along the side of the river with an accessible view point, seating and an accessible water fountain.

Whitemud North

Fox Drive and Whitemud Drive

Two accessible stalls within the park located down the road from the main parking lot but no directional signage to find them. Stalls located near partial gravel picnic site. No paved paths or picnic sites and no water fountains. Washrooms are inaccessible in terms of size, location and a large step to enter them. Available blue emergency phone but no path to access it. There are wheelchair accessible pathways available to the Alfred H Savage Centre. Located in the South end of Whitemud park, this new facility provides washroom and warm up space, along with a bookable private area.

Goldstick Park

4210 - 101 Avenue

Park facility is mostly accessible. Washrooms both upstairs and downstairs in the pavilion are partially accessible. Accessible ramp to access facility. Three accessible parking stalls. Trails in the area have a natural or gravel bed. Trail system would rank 1/5 for accessibility.

This park is home to Little League Baseball and Soccer from April to October. Facility is book able on a year round basis. Facility is not open and available to the public on a daily basis.

Rafters Landing

9734 - 97 Avenue

Park trails are accessible from parking lot through to the river boat. Three accessible parking stalls in lot. Picnic sites in area are accessed by a granular trail to sites, with a 3/5 accessibility rating.

Edmonton Queen Office (adjacent parking lot) has an accessible ramp. Washroom facilities minimal, Port-A-Potti May through September.

Access to the gang way ramp to board the Edmonton Queen has a moderate grade.
