Purpose and Goal of Access Tempe

ACCESS TEMPE is designed to educate Tempe residents and visitors of all ages and walks of life about the accessible features of the many fine public places in our city. We've paid close attention to the things that are important to people with disabilities and are pleased to offer a comprehensive guide of Tempe information that will make your stay enjoyable and effortless.

Use this Tempe information guide each time you look for a restaurant, visit one of our many hotels and resorts, plan a day of shopping or just want to have some fun in the sun. There are endless opportunities to have a great time in Tempe, whether you spend some time at one of the many Tempe parks, catch a show at ASU Gammage or want to experience the entertaining nightlife around the Mill Avenue District.

Feel free to provide feedback that will allow us to improve future Access Tempe issues. We would like to be updated on the subjects that are most important to individuals with disabilities in order to provide the latest and most relevant Tempe information regarding restaurants, shops, hotels and resorts. Send comments, suggestions, questions to diversity@tempe.gov

City of Tempe Programs, Services & Facilities

The City of Tempe will reasonably modify its policies, practices and procedures in order to make them accessible to qualified persons with disabilities. For accommodations (such as an interpreter, alternative formats, etc.), or questions regarding Arizona disability accessibility, please call the Diversity office at **480/350-2905**. For other questions, please call the City of Tempe switchboard: **480/967-2001** or TTY: **480/350-8400** or visit our website, **www.tempe.gov**.

Using and Obtaining a Disabled Parking Placard

All disabled parking placards are valid for parking in designated accessible parking spaces, no matter the state or country of origin. Make sure the state or province on the placard matches the license plate of the vehicle or you may be subject to a fine. Your placard allows you to park in all City of Tempe disability accessible spaces and most metered parking spaces without having to pay. **All metered public parking is free in the Mill Avenue District to vehicles displaying disability plates or a placard.** This is not the case on ASU campus where paid decals may be needed. Some private lots may not offer discounts to permit holders.

If you are from out of state or from another country and need a placard, you can obtain the application for a temporary travel placard online at **www.azdot.gov/mvd/formsandpub/mvd.asp**. Type in form number 96-0104. You can also call **602/255-0072** or TTY: **602/712-3222**. You will need to visit an MVD office with the completed application and medical certification to obtain the placard.

Most other states and Canadian provinces honor Arizona disability plates and placards, However it is a good idea to contact the appropriate motor vehicle authorities when traveling.

Mill Avenue District

The Mill Avenue District is one of the most visited and exciting downtown areas in Arizona. Bounded by College Avenue to the east, Ash Avenue to the west, University Drive to the south and Rio Salado Parkway to the north, the downtown area is a dynamic, vibrant locale that features entertainment, restaurants, shopping and sporting events. The exceptional access features allow you to experience brick sidewalks, open-air cafes, and an incredible number of local and national special events year-round.

A minimum clearance of six feet is maintained on Mill Avenue District sidewalks, and accessible curb ramps exist at all intersections. Each of the major intersections is signalized. In nearly all cases, access to businesses and stores is from street level, with no stairs or steps up or down to Mill Avenue and downtown establishments. In addition, the transit system is ADA compliant. Every bus serving the entire City of Tempe is equipped with ramps which are functional on all routes and at all transit facilities.

Audible Pedestrian Signal Installations

Based on input from mobility instructors, many high use pedestrian crossings are equipped with Audible Pedestrian Signals to facilitate access for users with visual impairments.

These intersections include:

- Rural Rd. & Terrace Rd.
- Mill Ave. & Tenth St.
- University Dr. & Myrtle Ave.
- University Dr. & Smith Rd.
- Rural Rd. & Embassy Suites Dr.
- Apache Blvd. & McAllister Ave.
- University Dr. & College St.

Arizona State University (ASU)

Access for individuals with Disabilities

Established in Tempe in 1885 as Normal School in the Territory of Arizona, ASU is one of the premier metropolitan public research universities in the nation. Once a 20 acre cow pasture donated by leading citizens, ASU's Tempe campus has grown to be a city within the City of Tempe and sits on 700 acres. Today the university enrolls more than 67,000 undergraduate, graduate and professional students on four campuses in metropolitan Phoenix, with the Tempe campus being the largest.

ASU has a history of campus accessibility, beginning in the late 1960s as large numbers of Vietnam veterans with disabilities selected to attend ASU under the GI bill. By 1973, ASU committed to providing access to all programs and facilities for students with disabilities and today is one of the most physically accessible campuses in the nation.

The following programs and facilities are examples of ASU's progress and commitment to an accessible university and to students with disabilities.

Parking and On-campus Transportation

Visitor parking lots and structures include accessible parking. Call for accurate parking information and locations of disabled visitor parking lots/spaces. All FLASH and Intra-campus shuttle buses are accessible. **480/965-6406** - www.asu.edu/parking/

On-campus transportation is available to any student, faculty, staff and guests of the university with permanent or temporary physical disabilities through a “scheduled ride” system, available Monday through Friday from 7:10 am until 6:45 pm. The operational area is limited to the Tempe campus boundaries. To schedule rides, call **480/965-3055**.

Disability Resource Center (DRC)

Working in partnership with ASU departments and community organizations, the Disability Resource Center facilitates a wide range of academic support services for any qualified ASU college student with a disability. The staff coordinates transition from high school and community colleges to the university, provides in-service training for faculty and staff, assists in resolution of accessibility issues and engages in community outreach and collaboration with all ASU campuses to assure appropriate services and assistance for all students with disabilities.

DRC services include:

- Note taking services
- Text conversions into Braille or electronic text
- Sign Language Interpreters
- Scholarships
- Testing Services
- Assistive technology training

For services and/or a related disability consultation, please schedule an appointment as far ahead of the date needed as possible:

TRiO Student Support Services

The TRiO Student Support Services mission is to support the retention and graduation of students with disabilities by fostering self-advocacy skills and academic success. The TRiO Student Support Services Tempe campus program is funded by the U.S. Department of Education to provide academic support to students with disabilities who are pursuing a baccalaureate degree at Arizona State University. Services include tutoring, instructional support, success coaching, career coaching, adaptive technology support, study skills workshops, and a laptop loan program. To be eligible, students must be: registered with the DRC, a U.S. citizen or a permanent resident, degree seeking, and motivated to complete a bachelor's degree.

ASU Libraries

ADA Services within the libraries enables ASU students, faculty, and staff with disabilities to access library materials and information. While members of the community with disabilities are welcome to do library research with our staff's assistance, ASU affiliates will be

given precedence. The ADA Services room is located in Hayden Library on the lower concourse level. Workstations are equipped with adaptive technology. These workstations are also available in the Science, Architecture and Music Libraries. ADA Services staff encourages appointments when assistance is needed at any ASU Tempe campus library.

Services and Adaptive equipment and software:

- Orientation to the library and its materials
- Instruction on accessing and searching the library catalog, online databases and the Internet
- Assistance with library research skills
- Book retrieval and assistance with photocopying and printing during staffed hours
- Training provided for equipment and technology
- Workstations with adjustable height tables

Student Recreation Complex (SRC) Adaptive Recreation

The SRC's Adaptive Sports and Recreation Program features a 9,000 sq. ft. weight room and offers a number of adaptive sports exercise equipment. The pool maintains a dry ramp for an easy transfer from a wheelchair into the water. This facility is open to students, staff and faculty. Staff help develop adaptations for activity participation.

The Adaptive Sports and Recreation Program at ASU encourages identification of new programs and activities to enhance a fun and supportive environment through recreation.

SRC Adaptive Sports Programs:

- Power soccer
- Goalball
- Tennis
- Table Tennis

If you use a power wheelchair, then Power Soccer is your sport. It's played on a regulation basketball court with a goalie and three forwards on each side. The object is to outscore your opponents by driving an oversized 18" soccer ball across their goal line. The rules are similar to soccer and equipment needs are minimal. The wheelchairs are outfitted with plastic foot guards in order to protect the athlete's feet and provide for a surface to control the ball.

Goalball is a highly competitive sport played three-against-three, indoors on a gym floor, primarily by blind and visually impaired athletes. It is played from the local school-gym level on up to the Paralympic, 'Team USA' level internationally. There are two teams playing against each other, with one on each end of a 60 x 40 foot court. All players are blindfolded to make the game fair.

Tempe Facility Accessibility

Sun Devil Stadium

Cart Services

A cart service is provided for guests requiring assistance within the gates of Sun Devil Stadium. Carts will transport guests from inside the stadium gates to the main concourse upon arrival and from the main concourse to the stadium entrance gates upon departure.

Event Day Ticket Purchase/Pick-up

Short-term parking is available for guests purchasing or picking up tickets at the stadium ticket office. This area (Reserved South) is located at the northeast corner of College Street and Veterans Way and is available until three hours prior to the event. This is a pre-game service only.

Accessible Event Day Parking

There are disabled access parking spaces available during football games at Sun Devil Stadium. The accessible parking section is located in Lot 59 and can be accessed from either the north or south end of Packard Drive. A state issued disabled plate or placard must be presented with the appropriate ASU parking pass to enter this reserved area. Any spaces remaining beyond those held by season ticket holders will be made available on a first-come, paid basis. When this area is full, patrons will be directed to the next nearest accessible parking.

Accommodations for the Hard of Hearing

Assistive listening devices are available at the guest assistance centers located at field level behind Section 38 and on the main concourse behind Section 13. Closed captioning is shown on the Stadium Video Replay Board as well as on all television monitors within the stadium. TTY telephones are located at the guest assistance center located behind Section 38.

Seating

There is seating for persons with disabilities and wheelchair spaces dispersed throughout the stadium.

Elevators

Individuals with specific needs for elevator access to seating areas should contact Guest Services for more information at 480/965-3933 ext. 3683.

Restrooms

There are accessible and family restrooms throughout the stadium.

Service Animals

Service animals are allowed in the stadium to provide assistance to the animal's owner.

Tickets

Individuals wanting accommodations should indicate the accommodation sought when purchasing a ticket so the ticket office may provide appropriate seating. A companion seat may be purchased for every accessible seat purchased.

Wells Fargo Arena

Located east of Sun Devil Stadium, Wells Fargo Arena is host to university sporting and academic events as well as concerts and shows.

Wheelchairs

Wheelchairs are provided for graduations and other public events, but are not available for athletic events. Wheelchairs can be checked out with a photo ID, at the north entrance of Wells Fargo Arena. Wheelchairs are not to leave the building and must be returned within 30 minutes of the end of the event. There are over 300 additional accessible seats provided for graduations and other public events.

Disabled Access Parking

Accessible parking is available in Lot 58. A state-issued disabled placard or license plate is required to park in this area.

Accommodations for the Deaf or Hard of Hearing during University Commencements

Closed captioning appears on all screens during the ASU graduation ceremony only. Individual students' names are not closed captioned. American Sign Language (ASL) Interpreters also provide service during the Commencement Ceremony. ASL interpreters may be available for other graduation activities. Please contact the college or campus for the event you wish to attend.

Tempe Accessible Transportation

Tempe in Motion, Valley Metro & Metro

All Tempe buses are wheelchair accessible and equipped with ramps. Bus service operates from approximately 4:30 a.m. to 1 a.m., Monday through Saturday and from 5 a.m. to 10:30 p.m. on Sunday. Most Tempe bus routes operate every 15 minutes from 6 a.m. to 9 a.m. and 3 p.m. to 6 p.m., Monday through Friday. Tempe also has two free FLASH shuttles circulating the downtown Tempe/ASU area and five free Orbit routes serving Tempe neighborhoods north of the US 60.. Bus service is available on all major holidays with service following Sunday schedules. Metro light rail uses low floor vehicles, allowing all passengers (especially those using wheelchairs, etc.) to board quickly and easily. The stations are fully accessible and designed to maximize shade, safety and ease of use. Each vehicle has four wheelchair areas. Computer-controlled acceleration and braking systems ensure smooth starts and stops, and there is minimum lateral movement of the trains. Wheelchair tie-downs are not needed.

METRO (Light Rail) Hours and Frequency

Weekdays Hours: Trains begin the first full westbound trip from Sycamore Station at 4:35 a.m.; eastbound from Montebello Station at 4:40 a.m. The last full trip of the day begins at 11 p.m. (except for Friday night), arriving at the opposite end of the line at midnight.

Weekends (Fri. Night - Sun. Morning) Hours: Trains begin the first full trip of the day at 5 a.m. at the end-of-the-line stations. On Friday and Saturday night, the last full trip of the day begins at 2 a.m., arriving at the opposite end of the line at 3 a.m.

Frequency: Trains arrive every 15 minutes between 6 a.m. and 7 p.m.; all other hours, every 20 minutes. (Hours and frequency are subject to change.)

Reduced local fares are available for seniors, ages 65 and older and for people with disabilities. Reduced bus and light rail fares:

1 ride: \$0.85. **All-Day Pass:** \$1.75. **3-Day Pass:** \$5.25.

7-Day Pass: \$8.75. **31-Day Pass:** \$27.50.

Dial-a-Ride

Dial-a-Ride services are designed for passengers who are unable to access local bus service. Dial-a-Ride is a shared-ride service, meaning the driver may pick up or drop off other passengers before taking you to your destination. In most cases, you can travel within any given Dial-a-Ride service area without transferring to another vehicle. Destinations within another service area may require a transfer to another Dial-a-Ride provider. Dial-a-Ride can help you coordinate transfers.

All ADA trips must be reserved at least one day (up to 14 days) in advance. Subscription trips made on a regular, predictable basis (work trips, for example) require reservations and in some areas may be booked several weeks in advance. For reservations, please

contact East Valley Dial-a-Ride at **480/633-0101** or visit www.valleymetro.org/Valley_Metro/Dial-a-Ride/index.htm.

Phoenix Sky Harbor International Airport

With nearly 1,500 flights arriving and departing daily, Sky Harbor International Airport is one of the busiest in the country and one of the most accessible by providing vehicles for personal accessible travel and for elderly and disabled public transportation.

Accessibility features of Sky Harbor Airport

- Curb cuts
- Crosswalks
- Sidewalks
- Level entrances
- Automatic doors
- Elevators
- Ramped access to all lobbies and gate areas

phoenix.gov/skyharborairport/customer-service/special-needs.html

Flying Tips

When making reservations, tell your agent about elderly and disabled transportation accommodations you need and whether you are traveling with a service animal, wheelchair, or oxygen. If you want your power chair batteries to travel with you, check with your airline about the proper way to carry them.

Accessible Phones

Hearing aid compatible, amplified and text telephones (TTY) are available in each terminal. TTY pay phones are located on each level and at baggage claim in Terminals 2, 3, and 4.

Advocates for the Disabled, Inc.

5060 N 19th Ave. Ste. 306, Phoenix

602/212-2600 800/875-2272

TTY: 602/212-2702 www.cirs.org/homepage/advocates

Advocates for the Disabled, Inc. (AFD), is a one-of-a-kind organization providing services for disabled in Arizona and offering a “hand-up” to disabled individuals of our community, when it comes to navigating through the Social Security Disability claims process and other social service needs. When one is sick, disabled, homeless/low income, or has the challenges of a behavioral health issue, securing benefits is a daunting task. AFD is often the “last link of hope” for many Arizona families. Since 1970, AFD has had an unduplicated Disability Claims Program. Since 1994, AFD has been providing a certified fiduciary program for individuals who have a payee manage their benefits. AFD also provides community outreach and education of its programs.

Your placard allows you to park in all City of Tempe disability accessible spaces and most metered parking spaces without having to pay. **All metered public parking is free in the Mill Avenue District to vehicles displaying disability plates or a placard.**

This is not the case on ASU campus where paid decals may be needed. Some private lots may not offer discounts to permit holders.
